Back Row: Jane Schuachard, Judy Reed, Joyce Gaggero, Judie Reginelli, Linda Richmond, Penny Almquist, Evelyn Morabe, Donna Gardner, Marsha Ojakian, Toni Longueira, Vivian Yule.

The rally committee, headed by the rally commissioner, is composed of the cheerleaders, pep-girls, and other interested students. The lack of facilities, because of the rebuilding of "new Jeff", has made it necessary for the rallies to be held in the front of the

school. This is also the reason the rallies haven't been as numerous as in recent years. Considering this, the rally committee has done a terrific job, pardon the expression, in leading our noise and has tried to make each rally a successful one.

Can't I stop now?

It is the duty of the Sergeants-at-arms to keep order in our school. To carry out this important task two things are necessary. The staff must at all times enforce the school rules without exception, favoritism, or malice and must

gain the cooperation and respect of the students. They are under the authority of Mr. Redmond and the head Sergeant-at-arms and can be found on duty in the halls and ushering at rallies and special functions.

Fourth Annual Model Senate

Democratic Party

Advisor, Mr. Frank; Majority Leader, Virginia Giese; Party Whip, Bill Bruning.

On December 4, 1962, the first session of the Jefferson High School Fourth Annual Model Senate began. Two months previous, the participants were assigned to portray the 100 Senators of the Senate. These students were then to step into the Senator's shoes and actually think and act like him. They met in committees to legislate bills; they held party caucuses to plan political

strategy. In short, they worked. During the two days of the Senate, the entire Jefferson student body was in a fervor over the passage or defeat of certain bills. At the end of both sessions, everyone concerned felt a great sense of pride because one of the best sessions of Jefferson's Annual Model Senate was completed.

Advisors, Miss Wood and Mr. Redmond

The Northern Peninsula League Conference is composed of students who are members of the various schools' executive boards. First all the members meet in one discussion group and then the students are broken up into smaller groups concerned with one special problem facing the schools of today. In these groups, the problems are discussed and possible solutions are found. The different representatives then go back to their school and try the solutions suggested.

Model United Nations

Rwanda Advisor
Mrs. Simmons

The Model United Nations is held each year, at the University of California, to show those interested students how and why the real United Nations is organized. This year Jefferson was chosen to represent two countries, Bulgaria—a Soviet satellite country—and Rwanda—an African country. The students prepare resolutions to present to the General Assembly, in hope of their passage. Although there is a great deal of time and work involved, the students find it well-worth their while in the invaluable experience and knowledge they gain.

Delegates: J. Schuchard, U. Malaspina, S. Murphy, T. Nemia, G. Bjoring, J. Taylor, M. Phinney, C. Christiano, B. Nichols, R. Howlett, B. Russert, G. Howlett.

The primary purpose of the Asilomar Conference is to bring young people together from a wide variety of national, religious, economic, and social backgrounds. During the weekend spent at Asilomar, the students have a chance to discuss, in groups or otherwise, the problems of our time. These problems range from city slums to nuclear test bans. After the conference is over, it is hoped the students will go away with a better understanding of his fellow man and his life.

This Varsity Football Team of 1962 will be remembered for many reasons; first of all it conquered the preseason practice game jinx by beating Oceana 40 to 0. This team will also be remembered for the fine football players it has produced. Among these are four who excelled to the point that they gained all N.P.L. Honors. And most important of all, this team will go down in Jefferson annals as the team that was a 3 touchdown underdog to South City that came from behind to win 26 to 20 in the last great Jeff-South City night game clash.

This Year's "62" Frosh-Soph team was led by two hustling captains, Bob Bias and Steve Cavallaro. Coached by Mr. Mezzara and Mr. Boyd the team won four out of six games to place second in the league.

Outstanding on the team were Stan Kinka who led the team in scoring and Paul Howe who led defensively and also punted. Credit should also be given to left end Gene Campbell who won both the Oceana and El Camino games by catching touchdown passes in the final seconds of play.

Thanks to Jeff's spirited team and excellent coaching, Jeff had one of its best seasons ever.

Varsity Basketball Team

The Jefferson varsity basketball team finished fourth in the 1963 season. Jefferson was supposed to win the league title but failed to do so.

The team was highlighted by Larry Jones, a transfer student. Larry attended Sacred Heart High School before attending Jeff. He was both an excellent defensive and offensive player.

Steve Willis contributed to the varsity team by netting 107 points. Both Jones and Willis made All-League.

Larry Keeling and Dan Boden both gave a fine showing for the entire season.

130's Basketball

The Jefferson 130's coached for the first time by Coach Kelly, ended up the season tied for first place with arch-rivals, Westmoor. Both teams had 9 wins and 1 loss record. Jeff 130's had a lot of trouble in the first part of the season. Especially in beating the "easy" teams.

The last game of the season with South City was an easy victory as the 130's led by Ed Larios and Al Stoller beat South City by 49-38. Coach Kelly said that this team hustled more than any other team he has ever coached. It was this hustle, plus desire, that brought the championship to Jeff.

Julio Monge paced the Jefferson westlers to a season of high individual achievements, even though the varsity finished fourth in the N.P.L. The team's season record was eight wins and four losses. In league standing, Jefferson was second. So closely balanced was the league, that our losses to Westmoor and Terra Nova were by a mere one point.

COACH AND CAPTAINS: Kneeling C's Capt. Earl Rochin, B's Capt. Firdie White, Varsity Co-Captain Al Stevens. Standing; Coach Byod, Varsity Co-Captain Rich Waller, Coach Lualhati.

Our 1963 Track team did an excellent job this year with the expert coaching of Mr. Lualhati and Mr. Byod. The Varsity team was lead by the outstanding performance of Rich Waller who broke both school records for shot put and discus. Lou Coffaro, Al Stevens, and Leo Gotelli helped to keep up the spirit of the teams also.

B's kept up the standard set by Varsity by producing a promising group of athletes. Paul Perez, Ken Anderson, Mike Ballard, and Jessie Bulatao proved their real track ability.

C's did a great job too. They were lead by Russ Rudometkin and Earl Rochin.

This years swimming team was the best all around team that Jefferson has had. The Varsity missed championship by one point. The B's should win championship and the C's tied for championship going into the finals.

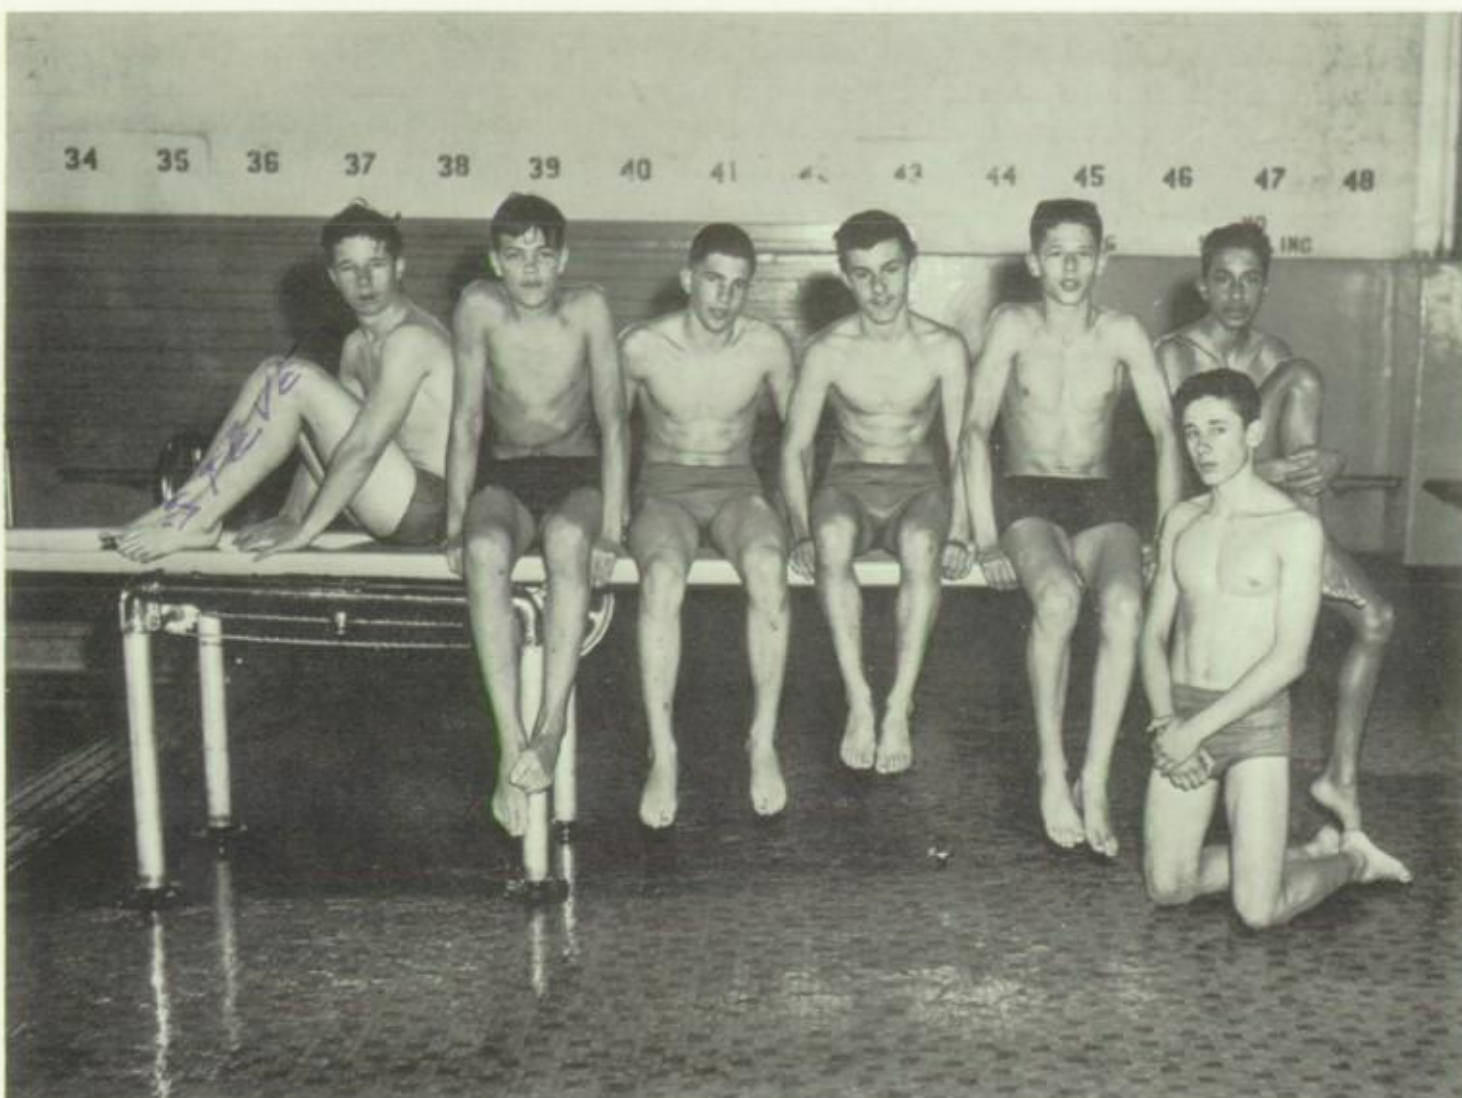

The most exciting meet of the year was with South San Francisco. The Varsity needed to win in order to have a championship team. Each race was a close one, not only for first place but for second and third places. Everyone tried hard but Jefferson lost by one point.

The Varsity had many outstanding swimmers this year and broke several school records. The freestyle relay team, composed of Rich Hillman, Jeff Goodin, Larry Ahuna, and Al Runge, broke the School Record. Dave Jenkins broke the 100 yd. butterfly record and Captain Larry Ahuna broke the 50 yd. freestyle record.

The B team also erased a few school records when freshman Jim Iversen broke the 200 yd. freestyle record and Robert Ostleford, Bruce Gilbert, Ken Iwahashi, and Dan Carey broke the Medley Relay Record.

The C team had outstanding swimmer Ed Portier who tied the school backstroke record.

Acknowledgement

At last, at the end of this book, we of the '63 Annual staff take a little space and a great deal of pleasure in thanking some of the people who have helped in the creation of the '63 Tom Tom. We would like to thank the members of the faculty, who were patient enough to excuse many students many times from many classes. We would like to thank Mr. Bud Bosco and Mr. Laurie McCaffrey, who were always striving to give us the best possible book. We would like to thank the unsung Jefferson photographers without whose work this book would be autograph pages from cover to cover. Last but definitely not least, we would like to thank Mr. Gil Toibin, our patient and long-suffering advisor, who really ought to get more than ulcers for giving us the opportunities to truly make this our yearbook.
